Limits of Liability. The limit of bodily injury liability stated in the Declarations as applicable to 'each person' is the limit of the Company's liability for all damages, including damages for care and loss of services and loss of consortium, arising out of bodily injury sustained by one person as the result of any one accident; the limit of such liability stated in the Declarations as applicable to 'each accident', is, subject to the above provision respecting each person, the total limit of the Company's liability for all such damages arising out of bodily injury sustained by two or more persons as the result of any one accident.

The limit of property damage liability stated in the Declarations as applicable to 'each accident' is the total limit of the Company's liability for all damages arising out of injury to or destruction of all property of one or more persons or organizations, including the loss of use thereof, as the result of any one accident.

However, the total limits of the Company's liabilities for all damages, under Part I, - Liability, for any Person Insured, other

than the named insured or a relative, shall be the limits of liability required by Section 9-25-4-5 of the Indiana Vehicle Code.

The insurance afforded under Part I applies separately to each insured against whom claim is made or suit is brought, but **neither the inclusion herein of more than one insured, nor the application of the policy to more than one automobile shall operate to increase the limits of liability stated in the declarations for the liability coverage's for any one automobile.** Definition of Limits of Liability for multiple vehicles insured by and/or multiple policies issued by the Company. Other Insurance. If the insured has other insurance against a loss covered by Part I of this policy the Company shall not be liable under this policy for a greater proportion of such loss than the applicable limit of liability stated In the Declarations bears to the total applicable limit of liability of all valid and collectible insurance against such loss; provided, however, the insurance with respect to a temporary substitute automobile or **non-owned automobile** shall be excess insurance over any other valid and collectible insurance.

Arbitration.

A. If we and an "insured" do not agree:

- 1. Whether that "insured" is legally entitled to recover **damages; or**
- 2. As to the amount of damages which are recoverable by that "insured";

From the owner or operator of an "uninsured motor vehicle"

then the matter may be arbitrated. However, disputes concerning coverage under this part may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction.

B. Each party will:

- 1. Pay the expenses it incurs; and
- 2. Bear the expenses of the third arbitrator equally.

C. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding as to:

- 1. Whether the "insured" is legally entitled to recover damages; and
- 2. The amount of damages. This applies only if the amount does not exceed the minimum limit for liability specified by the financial responsibility law of Indiana. If the amount exceeds that limit, either party may demand the right to a trial. This demand must be made within 60 days of the arbitrator's decision. If this demand is not made, the amount of damages agreed to by the arbitrators will be binding.

Trust Agreement. In the event of payment to any person under **Part II:**

- (a) the Company shall be entitled to the extent of such payment to the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of such person against any person or organization legally responsible for the damages because of which such payment is made;
- (b) such person shall hold in trust for the benefit of the Company all rights of recovery which he/she shall have against such other person or organization because of the damages which are the subject of the claim made under Part II;
- (c) such person shall do whatever is proper to secure such rights and shall do nothing after loss to prejudice such rights;
- (d) if requested in writing by the Company or its representative, such person shall take, through any representative designated by the Company, such actions as may be necessary or appropriate to recover such payment as damages from such other person or organization, such action to be taken in the name of such person; in the event of a recovery, the Company shall be reimbursed out of such recovery for expenses, costs and attorneys' fees incurred by **the insured** in connection therewith;

- (e) such person shall execute and deliver to the Company such instruments and papers as may be appropriate to secure the rights and obligations of

such person and the Company established by these provisions.

PART III – UNDERINSURED MOTORIST COVERAGE

F Underinsured Motorist Coverage. To pay all damages which an insured is legally entitled to recover from the owner or operator of an underinsured automobile because of bodily injury sustained by an insured. The owner's or operator's liability for these damages must arise out of the ownership, maintenance or use of the underinsured automobile provided, for the purposes of this coverage, determination as to whether the insured is legally entitled to recover such damages, and if so the amount thereof, shall be made by agreement between the insured and the Company or, if they fail to agree, by arbitration as herein provided.

To pay under this coverage only after the limits of liability under all applicable bodily injury liability bonds or policies have been exhausted by payment of judgments or settlements.

Definitions. The definitions under Part I apply to Part III. And under Part III:

"Underinsured automobile" means an automobile or trailer of any type to which a bodily injury liability bond or policy applies at the time of the accident but its limit for bodily injury liability is less than the limit of liability for this coverage.

However, 'underinsured automobile' does not include any vehicle:

- (1) owned by or furnished or available for the regular use of the insured or any family member or person residing in the insured's household;
- (2) owned by any governmental unit or agency;
- (3) operated on rails or crawler treads;
- (4) which is a farm type tractor or equipment designed mainly for use off public roads while not upon public roads;
- (5) while located for use as a residence or premises;
- (6) owned or operated by a person qualifying as a self-insurer under any applicable motor vehicle law;
- (7) to which a bodily injury liability bond or policy applies at the **time of the accident, and the bonding or insuring company denies coverage or is or becomes insolvent;**
- (8) which is defined as an 'uninsured automobile' under Part II.

Exclusions. This policy does not apply under Part III:

- (a) to any person while **occupying** an **owned automobile** when it is being used to carry persons or property for a fee;
- (b) to any person using any automobile without a reasonable belief that the person is entitled to do so;
- (c) as to inure directly or indirectly to the benefit of any worker's compensation or disability benefits carrier or any person or organization qualifying as a self-insurer under any worker's compensation or disability benefits law or any similar law;
- (d) to punitive or exemplary damage.
- (e) if Uninsured Motorist Coverage - Part II applies to the accident;
- (f) if the insured, his/her legal representative or any person entitled to coverage under this provision fail to sue the Company within two years from the date all bodily injury liability insurance policies applicable to all underinsured automobiles and their operators have been exhausted by payment of judgment or settlement.
- (g) any accident while a covered automobile is in the control of an excluded operator.

Limit of Liability. The limit of Liability as stated in the Declarations for 'each person' for underinsured Motorists Coverage is the Company's maximum limit of liability for all damages for bodily injury sustained by any one person in any

one accident. Subject to this limit for 'each person', the limit of liability shown in the Declarations for 'each accident' for Underinsured Motorists Coverage is the Company's maximum limit of liability for all damages for bodily injury resulting from any one accident.

The limit of liability shall be reduced by all sums paid because of **bodily injury** coverage by or on behalf of persons or organizations who may be legally responsible. Any amounts otherwise payable for damages under this coverage shall be reduced by all sums paid or payable for bodily injury coverage available under any worker's compensation law, disability benefits law or any similar law.

Any payment under Part III to or for any insured shall be reduced by the amount of damages which the insured may be entitled to recover from any person insured under coverage A of Part I - bodily injury. The Company shall not be obligated to pay under this coverage that part of the damages which the **insured** may be entitled to recover from the owner or operator of an **underinsured motor vehicle** which represents expenses for medical services paid or payable under Part IV - medical payments.

If more than one policy Issued by this Company applies to Part iii, the total limit of this Company's liability under all such policies shall not exceed the amount applicable under only one policy, and in no event shall the total limit of the Company's liability exceed the limits set forth in the Declarations, regardless of the number of insureds or covered automobiles or the separate itemization of premiums therefore and that coverage under this section shall not be "stacked" with any other similar or identical coverage that may be issued under this policy, or any other policy including Uninsured Motorist Coverage (Part II).

Definition of Limits of Liability for multiple vehicles Insured by and/or multiple policies Issued by the Company. The total limit of the Company's liability to or on **behalf of an Insured arising out of the ownership, maintenance or use of a vehicle** described in the declarations of this policy or in the declarations of any other policy issued to such Insured by the Company shall be the limit as stated with respect to that vehicle on the declarations of the policy on which that vehicle is described. Other Insurance. With respect to bodily injury to an insured while occupying a automobile not owned by the named insured, the insurance under Part III shall apply only as excess **insurance over any other similar insurance available to such insured** and applicable to such automobile as primary insurance, then this insurance shall apply only in the amount by which the limit of liability for Part III exceeds the applicable limit of liability of such other insurance.

Except as provided in the foregoing paragraph, if the insured has other similar insurance available to him/her and applicable to the accident, the damages shall be deemed not to exceed the higher of the applicable limits of liability of this insurance and such other insurance, and the Company shall not be liable for a greater proportion of any loss to which Part III applies than the limit of liability hereunder bears to the sum of the applicable limits of liability of this insurance and such other insurance.

1. Whether that "insured" is legally entitled to recover damages; or
 2. As to the amount of damages which are recoverable by that "insured"; from the owner or operator of an "underinsured motor vehicle" then the matter may be arbitrated.

Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction.

- B. Each party will:
1. Pay the expenses it incurs; and
 2. Bear the expenses of the third arbitrator equally.

LOSS PAYEE. Loss under this policy shall be payable as their interest may appear to the person or organization named in the **Declarations as loss payee, provided this insurance as to such interest for any bailment lessor, conditional vendor, mortgagee or assignee of bailment lessor, conditional vendor or mortgagee (herein called the lienholder) has not been invalidated by any act or neglect of the insured owner of the covered automobile nor by any change in the title of ownership of the same. Further, that in the event of conversion, embezzlement, or secretion by the insured owner of the covered automobile, interest under the said bailment lease, conditional sale, mortgage, or other encumbrance is not**

covered under this policy unless specifically insured against and premium paid therefore, and provided, also, that in case the named insured has neglected to pay any premium due under this policy, the lienholder has paid the same.

The lienholder shall notify the Company of any change of ownership or increase of hazard which shall come to the knowledge of said lienholder and, if accepted by the Company, it shall be endorsed herein and the lienholder shall, on demand, **pay the premium for any such increased hazard for** the term of the use thereof, otherwise this policy shall be null and void.

The lienholder shall notify the Company of any change of ownership or increase of hazard which shall come to the knowledge of said lienholder and, if accepted by the Company, it shall be endorsed herein and the lienholder shall, on demand, pay the premium for any such increased hazard for the term of the use thereof; otherwise this policy shall be null and void.

The company reserves the right to cancel this policy at any time as provided by its terms. In such case the company shall notify the lienholder when not less than ten (10) days thereafter such cancellation shall be effective as to the interest of said lienholder therein and the company shall have the right, on like **notice, to cancel this agreement.**

Should the insured fail to render Proof of Loss within the time granted in the conditions of this policy, the lienholder shall do

so within sixty (60) days thereafter, in the form and the manner as provided by this policy, and further, shall be subject to the provisions of this policy relating to appraisal and time of payment and of suing. Whenever the company shall pay the lienholder any sum for loss under this policy and shall claim that, as to the insured, no liability therefore existed, the company shall, to the extent of such payment, be thereupon legally subrogated to all the rights of the party to whom such payment shall be made, under securities held as collateral to the debt, or may at its option, pay to the lienholder the whole principal due or to grow due on the mortgage with interest, and **shall thereupon receive a full assignment and transfer of the mortgage** and of all such other securities; but no subrogation shall impair the right of the lienholder to recover the full amount of its claim.

The interest of the loss payee is protected by these provisions subject to all terms, conditions, and exclusions contained in this policy, which policy is available to the loss payee upon request.

IN WITNESS WHEREOF, the Company has caused this policy to be signed by its President. This policy shall not be valid unless completed by the attachment hereto of a complete Declarations page.

President
